Timberland 

FROM WOODED TRAILS TO CITY STREETS,

Timberland's rich New England heritage and outdoor lifestyle make their products the perfect choice. Blazing new paths on the Modern Trail, their apparel is made to keep up – in any weather. That's a requirement in Scandia Woods and we're thrilled to add them to the Scandia Woods selection. Beginning with the iconic Original Yellow Boot in 1973, Timberland builds each product on a foundation of unequalled durability, craftsmanship, versatility and timelessness.
